FIGURES 2-9-2-11

Follow each row left to right.

A linked two-part advance; the middle posture repeats.

## STEP 1

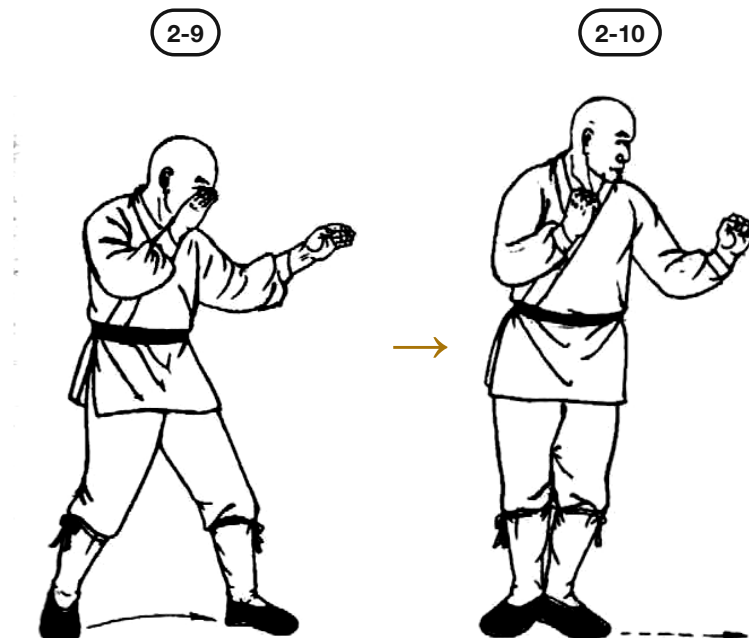

## Follow in

## ACTION

Draw the rear foot inward to load the forward movement.

## KEY POINT

Keep the torso quiet and the guard stable.

## STEP 2

## Advance out

## ACTION

Send the lead foot forward and settle into the renewed stance.

## KEY POINT

Land softly and preserve enough width for balance.
