FIGURES 2-21-2-24

Follow each row left to right.

Follow the linked withdrawal sequence left to right.

STEP 1

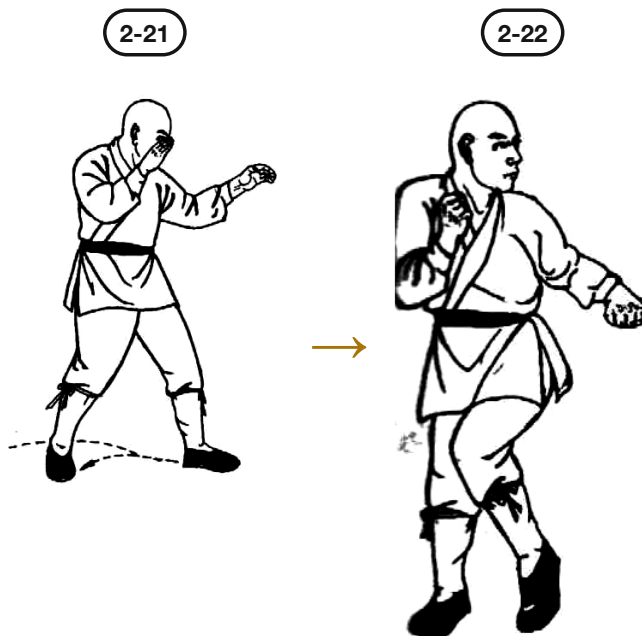

Release the front

ACTION

Lighten and withdraw the lead side while keeping the guard directed forward.

KEY POINT

Avoid lifting the body as the foot moves.

STEP 2

Turn and settle

ACTION

Complete the withdrawing turn and place the feet into the new stance.

KEY POINT

Finish balanced rather than leaning away from the movement.
