

Forward Turn

前转身 · 图 2-96-2-97

1 / 1

FIGURES 2-96-2-97

Follow each row left to right.

A linked forward-direction body turn shown in two figures.

STEP 1

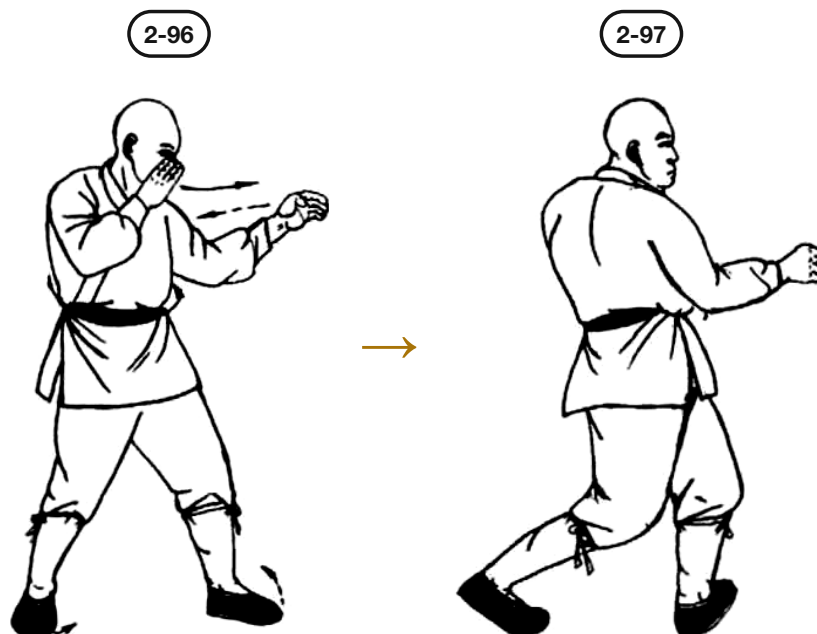

Turn forward

ACTION

Step and rotate the body toward the forward line shown in the sequence.

KEY POINT

Turn the feet with the hips and keep the guard organized.

STEP 2

Recover the stance

ACTION

Settle the turn, then return under control before another repetition.

KEY POINT

Finish with both knees aligned and the weight centered.
