FIGURES 1-37-1-39

Follow each row left to right.

Follow the linked movement left to right; the middle pose repeats.

STEP 1

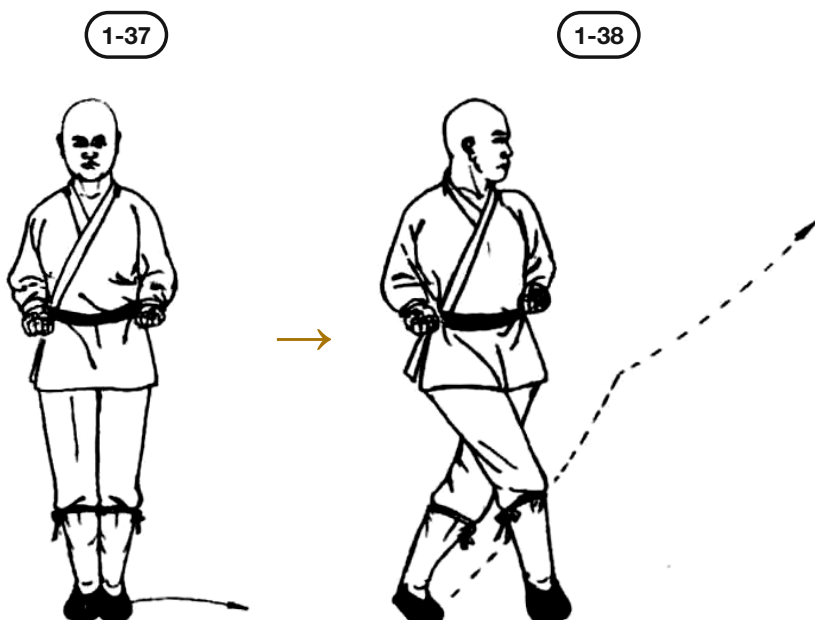

Cover-step and turn

ACTION

Begin with the fists at the waist. Cross the right foot toward the left and turn the head and torso left.

KEY POINT

Set the supporting foot and keep the knees softly controlled.

STEP 2

Drive the heel

ACTION

Lift the left leg, turn the toes inward, and thrust the heel and sole upward toward the left side.

KEY POINT

Keep the kicking path direct. Lean only enough to balance, then retract under control.
