FIGURES 3-34–3-35

Follow each panel left to right. ▶ **natural breath / movement flow**

The supplied scan resumes here after missing book pages 84–85 and figures 3-31–3-33. Begin only from a safely reconstructed starting posture.

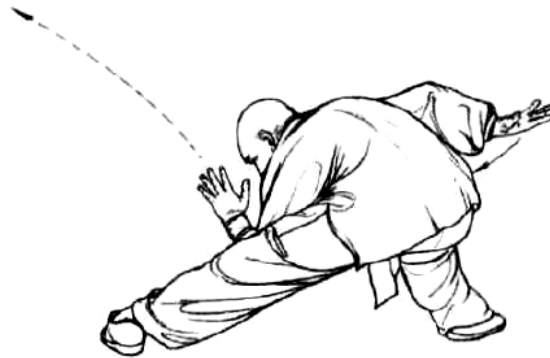

GEESE SETTLE, CRANE RISES · 雁落鹤起

Low left stance

BREATHE NATURALLY

Extend the left leg and sink deeply over the right leg into a low left stance. Turn and incline left; reach the right palm diagonally back, palm up, while the left elbow settles inside the left thigh.

3-34

Shift into left bow

BREATHE NATURALLY

Push through the right leg and carry the weight left-front into a left bow stance. Thread the left palm forward and up to shoulder height, palm up; keep the right hand at the waist.

3-34

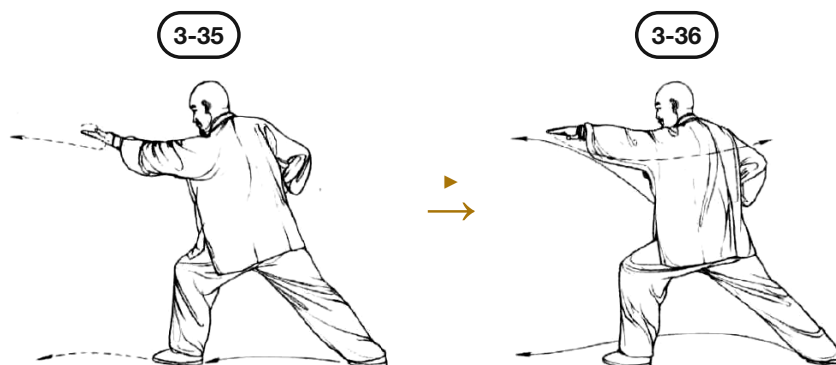

3-35

Advance and press

BREATHE NATURALLY

Advance the right foot and follow with the left while maintaining the left bow shape. Rotate the left palm and press forward at shoulder height, palm down.

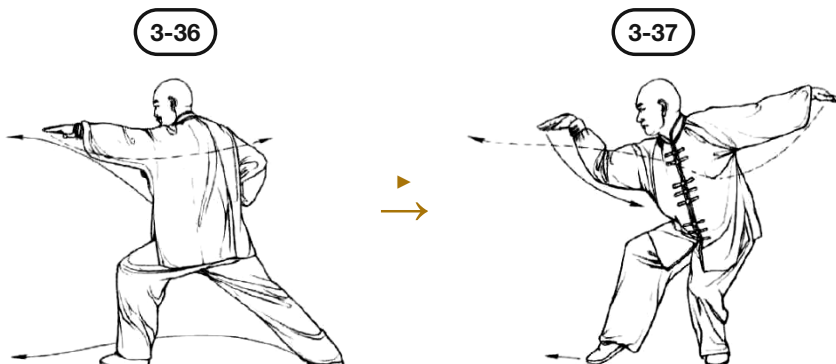

HUNGRY CRANE SEIZES FOOD · 饥鹤夺食

Right empty stance

BREATHE NATURALLY

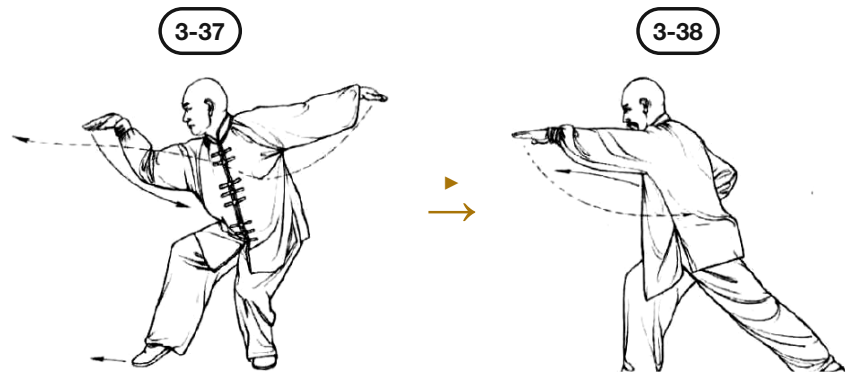

Touch the right toe forward while the left leg half-squats. Curve the right palm forward near eye height; sweep the left palm up and back below the head, palm down.

Left palm press

BREATHE NATURALLY

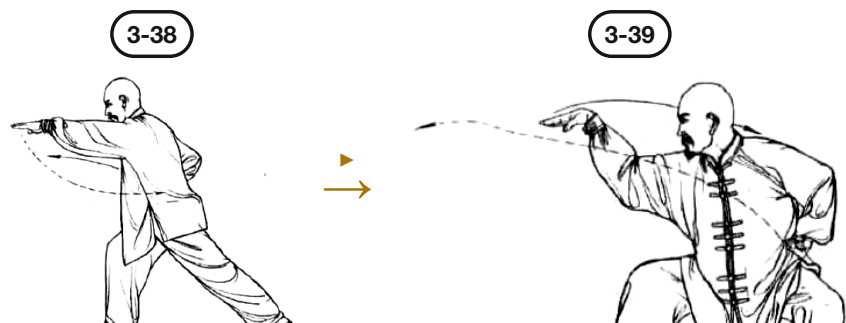

Advance the right foot half a step and push through the left leg into a right bow stance. Draw the right palm to the waist and press the left palm forward at shoulder height.

Right palm press

BREATHE NATURALLY

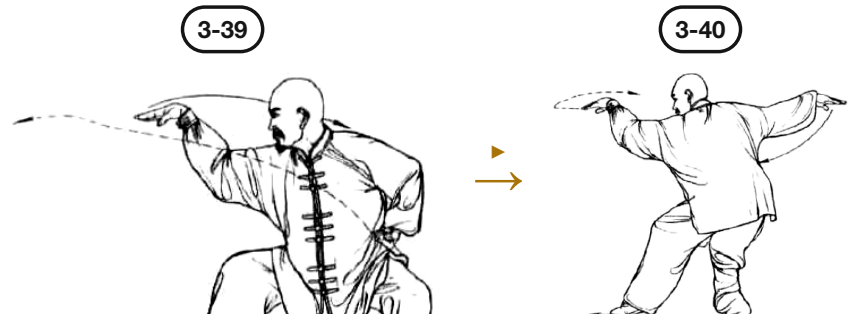

Shift weight left and settle into a right half-horse stance. Close the left hand at the waist and press the right palm forward with a softly curved arm.

Switch to left

BREATHE NATURALLY

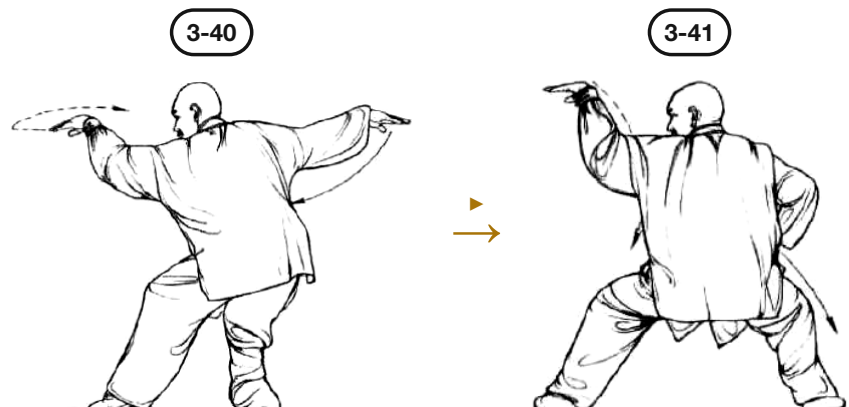

Step the left toe forward, weight on the half-squatting right leg. Arc the right palm to the side and open the left fist into a forward shoulder-height press.

Turn and lift

BREATHE NATURALLY

Set the left heel, turn right, and settle into a left half-horse stance. Raise the left elbow and wrist toward head height while the right palm returns to the waist.

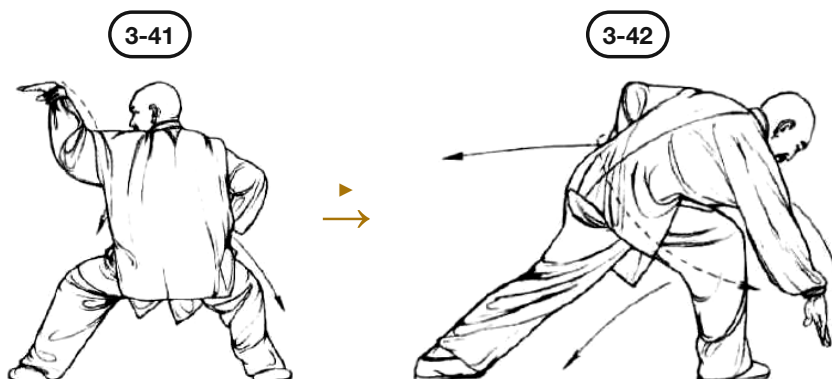

WHITE CRANE COILS THE NEST · 白鹤盘窝

Reach to ankle

BREATHE NATURALLY

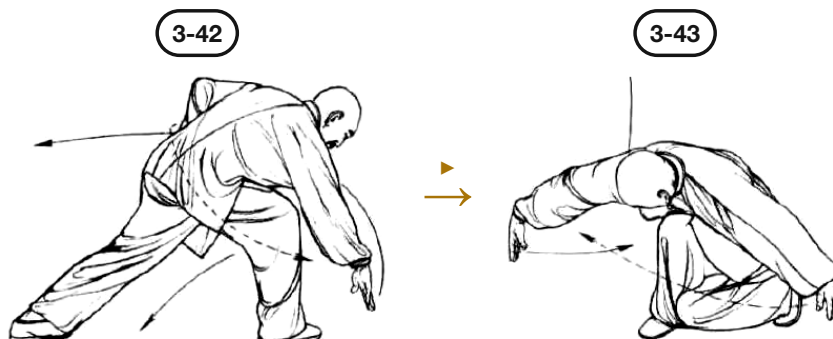

Shift into a right bow stance and incline right-front. Thread the right palm down toward the right ankle, fingers down and palm forward; hold the left palm at the waist.

Coil and sink

BREATHE NATURALLY

Turn left, bend and twist the legs, and sink. Arc the left palm down-left while the right hand circles around the front-right of the head; fingertips point down.

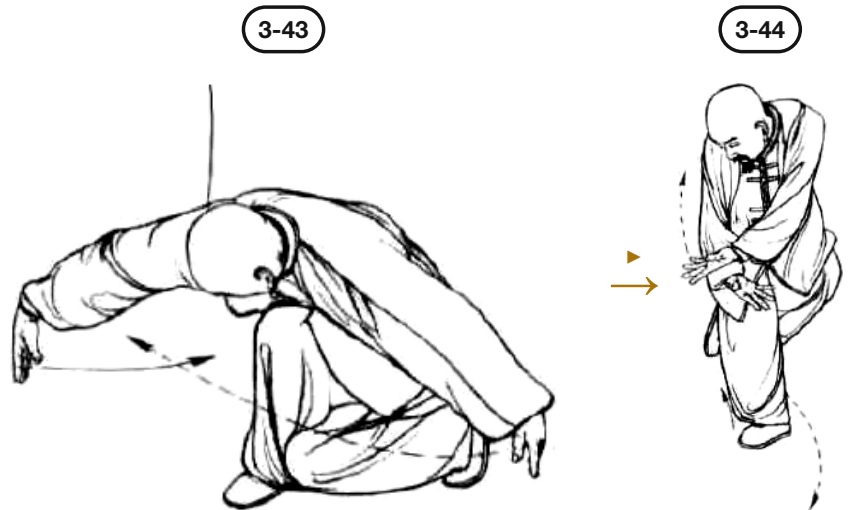

IMMORTAL CRANE PLAYS WITH CICADA · 仙鹤戏蝉

Cross by the thigh

BREATHE NATURALLY

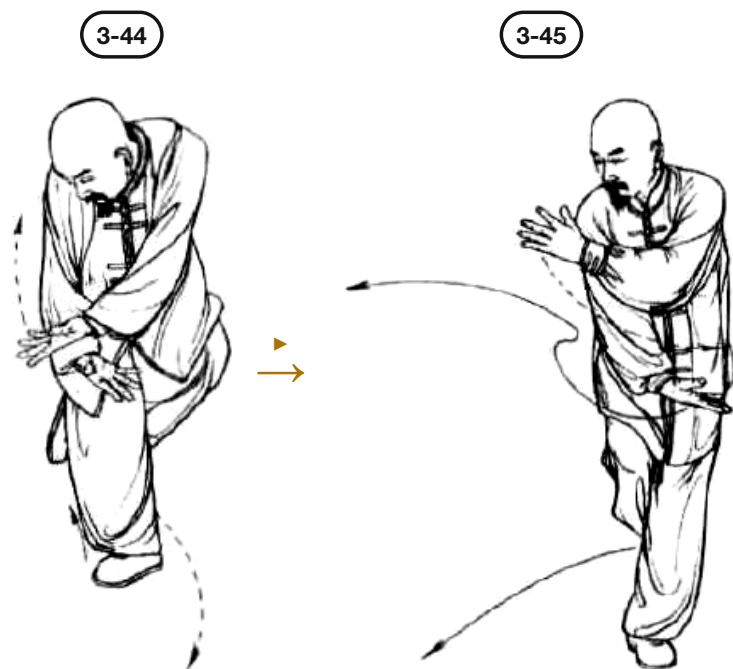

Rise onto the right leg and lift the left foot behind the right knee. Incline slightly right and cross the palms outside the right thigh, left over right, palms up.

Step and cover

BREATHE NATURALLY

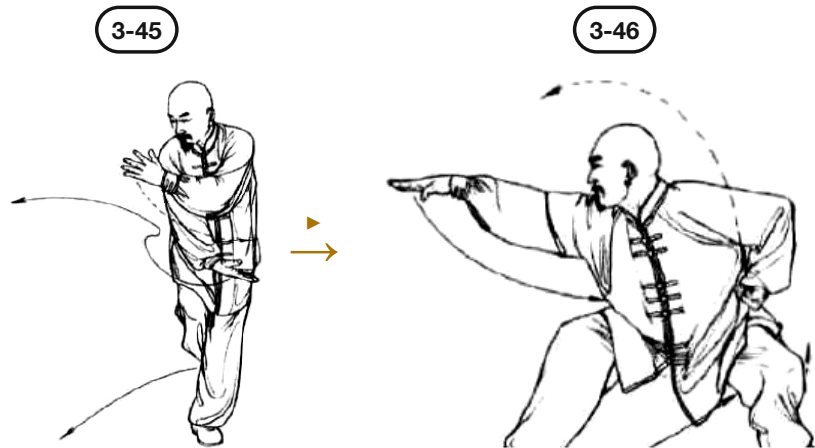

Place the left foot forward and lift the right foot. Carry the left palm upward toward the left shoulder.

Horse stance strike

BREATHE NATURALLY

Land the right foot into horse stance. Close the left hand at the waist and swing the right palm toward the right shoulder, palm down; look right.

Lift and frame

BREATHE NATURALLY

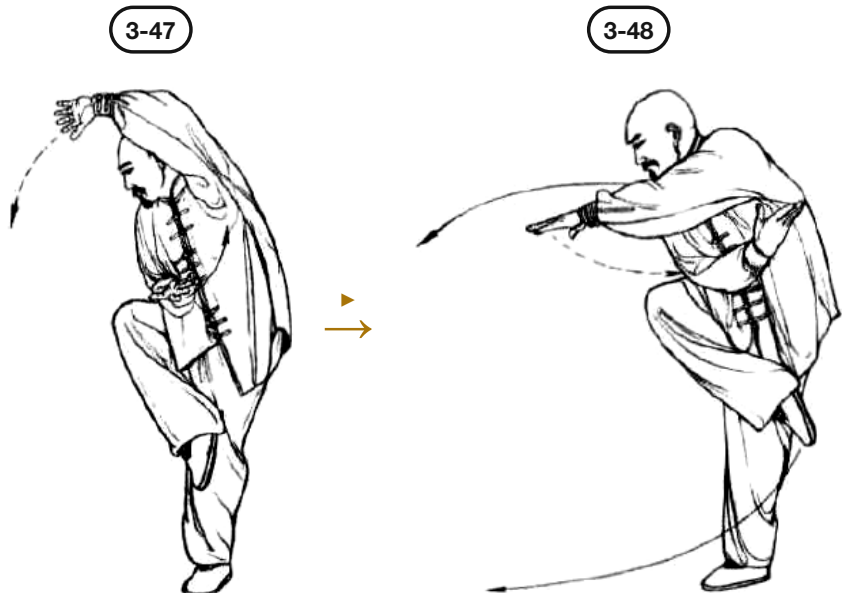

Shift to the left leg and lift the right leg. Hold the right palm near the front-right abdomen, palm up, while the left palm opens overhead; look lower-right.

Gather at shoulder

BREATHE NATURALLY

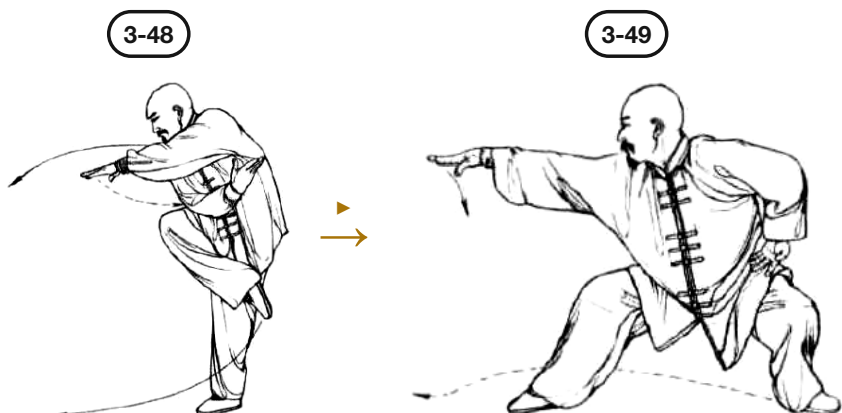

Draw the right foot slightly inward. Press the left palm onto the outside of the right shoulder and gather the right palm beneath the left armpit.

Step and press

BREATHE NATURALLY

Step right into a right half-horse stance. Press the right palm forward at shoulder height, palm down; keep the left hand at the waist.

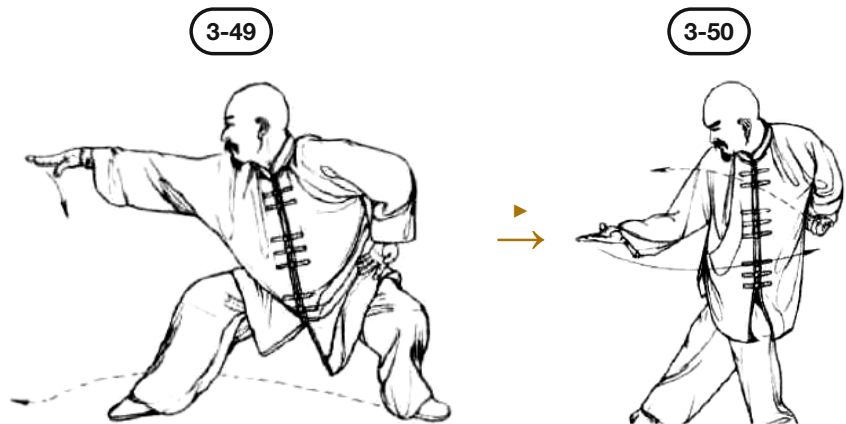

WHITE CRANE LOOKS BACK · 白鹤回顾

Cross-step

BREATHE NATURALLY

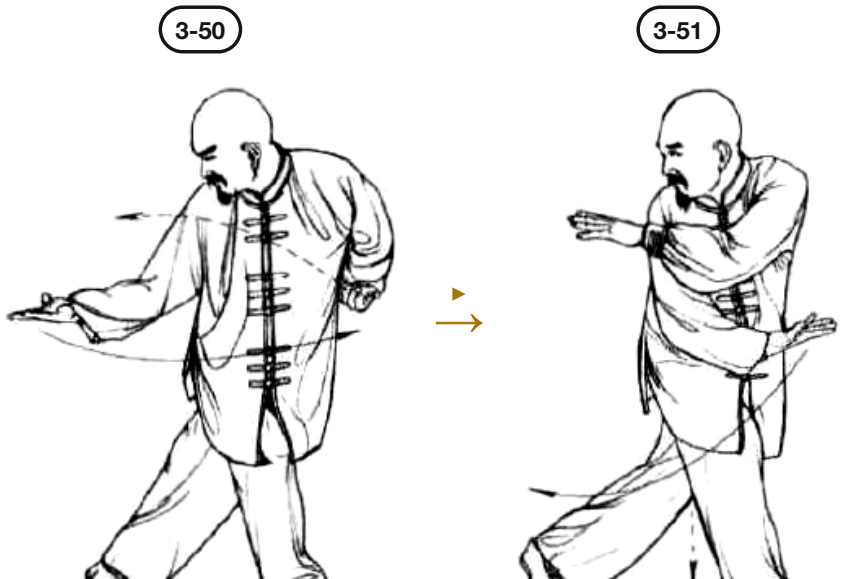

Cross-step the left foot and turn the torso slightly right. Lower and turn the right palm up near waist height.

Look behind

BREATHE NATURALLY

Draw the right palm across the chest, fingers left and palm up. Push the left palm toward the right side at shoulder height, palm down, and look back-right.

Sink and thread

BREATHE NATURALLY

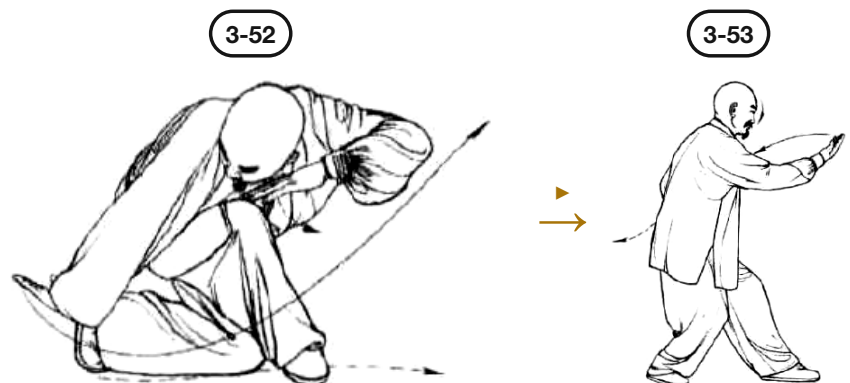

Twist and sink. Hold the left palm horizontally near the left forehead while the right palm threads back-right, palm up, toward the left heel.

Rise to empty stance

BREATHE NATURALLY

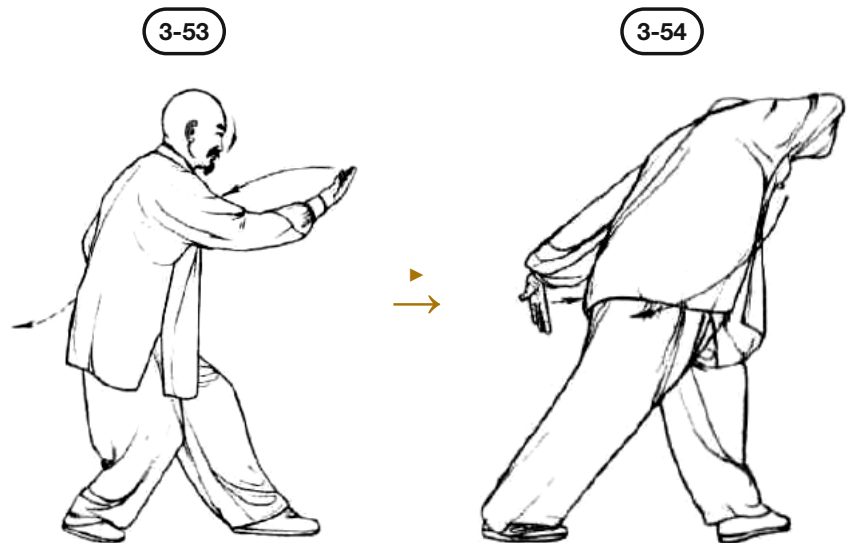

Rise and turn left. Step into a left empty stance and present the right palm forward at shoulder height, palm up.

Turn and coil

BREATHE NATURALLY

Turn left and sink. Arc the left palm low behind the left knee, palm back and fingers down; curve the right arm beside the shoulder, palm down.

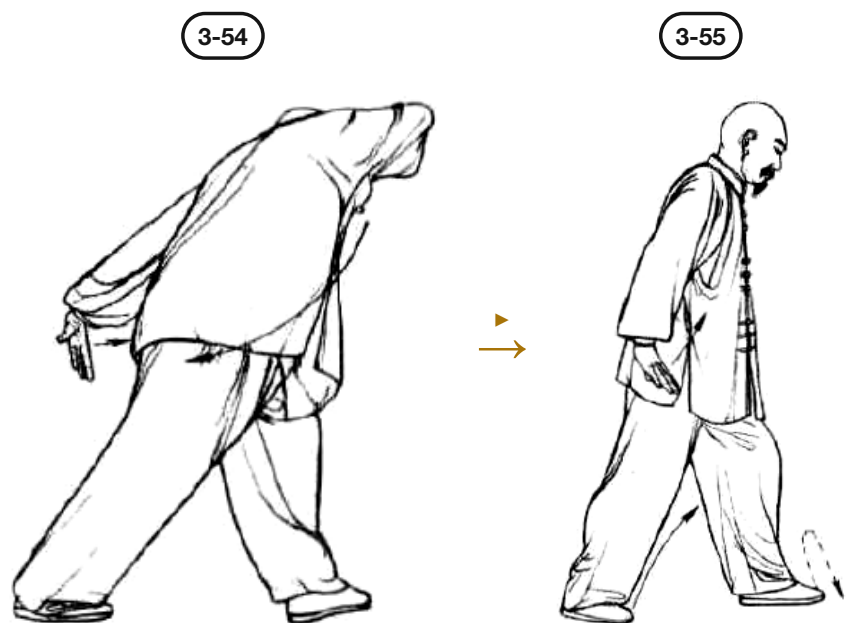

IMMORTAL CRANE CHASES WAVES · 仙鹤逐浪

Press by the hips

BREATHE NATURALLY

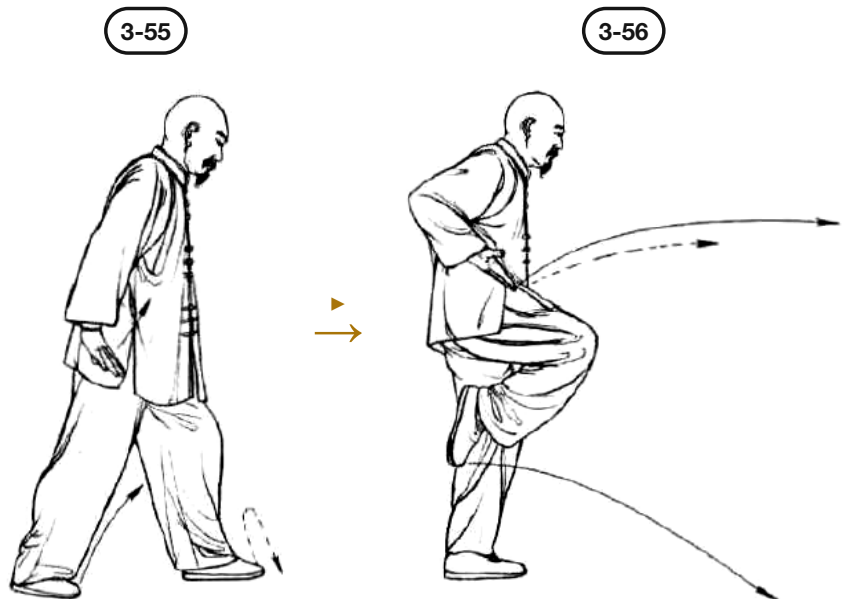

Turn the upper body right. Press both palms beside the hips, palms down and fingers forward; look forward and down.

Alternating lift

BREATHE NATURALLY

Lift and place the left foot, then lift the right knee. Gather both hands by the waist.

Long step forward

BREATHE NATURALLY

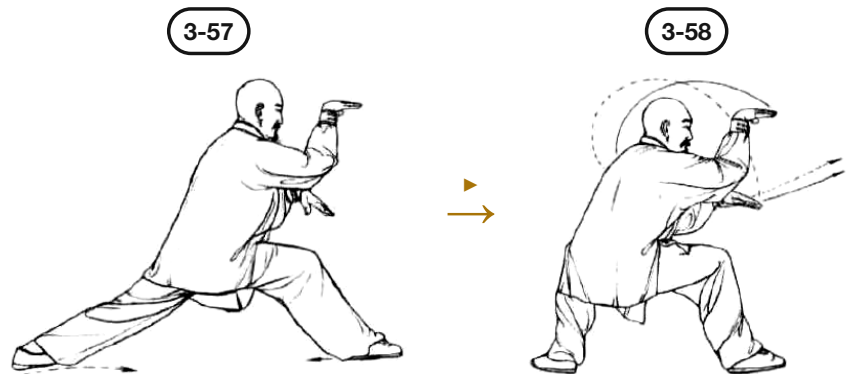

Take a large right step forward. Thread both palms ahead with softened elbows and wrists, right near eyebrow height and left below the right elbow.

Gather the stance

BREATHE NATURALLY

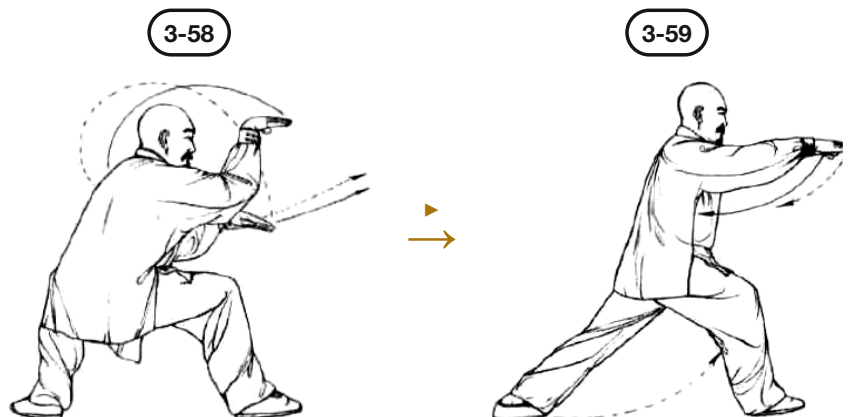

Carry the weight right-front and draw the left foot inward to a right half-horse stance. Keep the right forearm vertical near the forehead and slightly lift the left arm.

Arc and push

BREATHE NATURALLY

Circle the palms up, over, back, and down toward the shoulders. Push through the left leg into a right bow stance and press both palms forward at shoulder height.

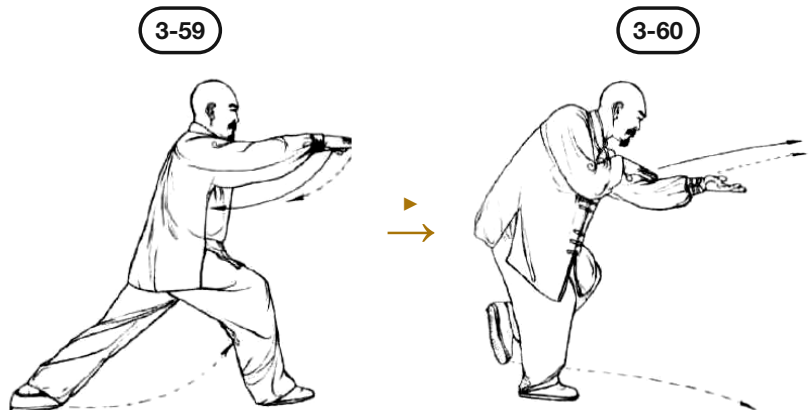

BLUE CRANE PARTS THE WAVES · 青鹤排浪

Balance and offer palms

BREATHE NATURALLY

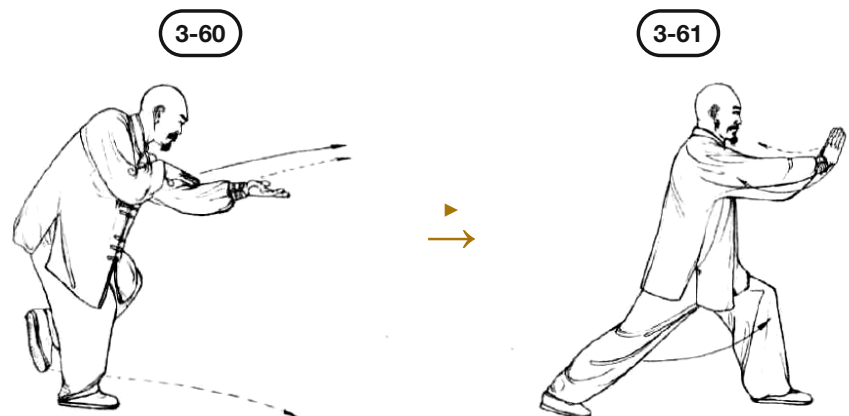

Lift the bent left knee, toe down and sole back near the right calf. Incline forward; offer the left palm forward and up at chest height while the right palm faces down inside the left upper arm.

Step and push

BREATHE NATURALLY

Place the left foot into a left bow stance and push both palms forward at shoulder height, wrists seated, fingertips up.

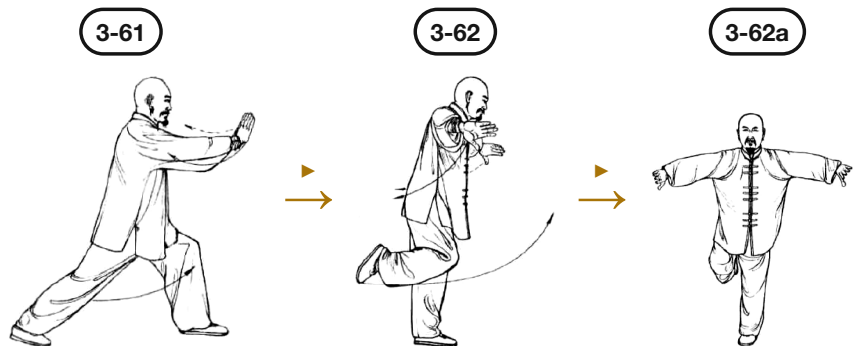

IMMORTAL CRANE TREADS GREEN · 仙鹤踏青

Crane balance

BREATHE NATURALLY

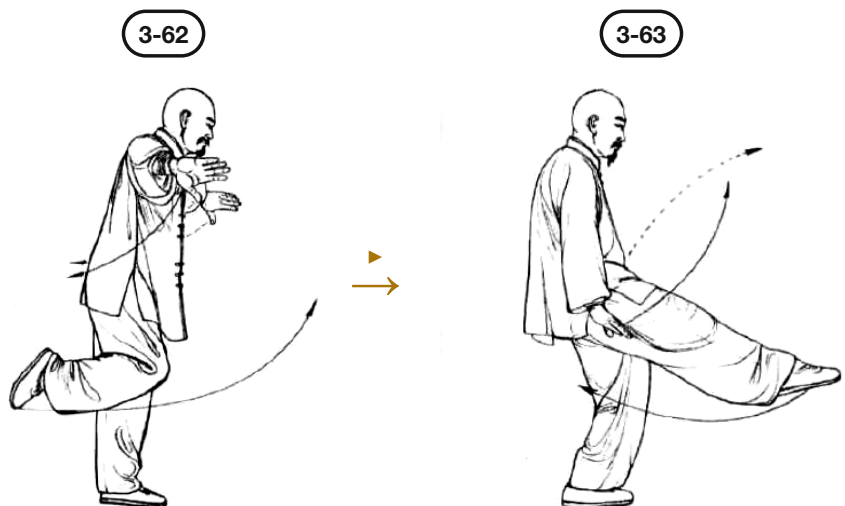

Lift the right knee, sole back near the left knee. Extend both arms in soft arcs slightly below shoulder height. The inset preserves the source's front view.

Press and kick

BREATHE NATURALLY

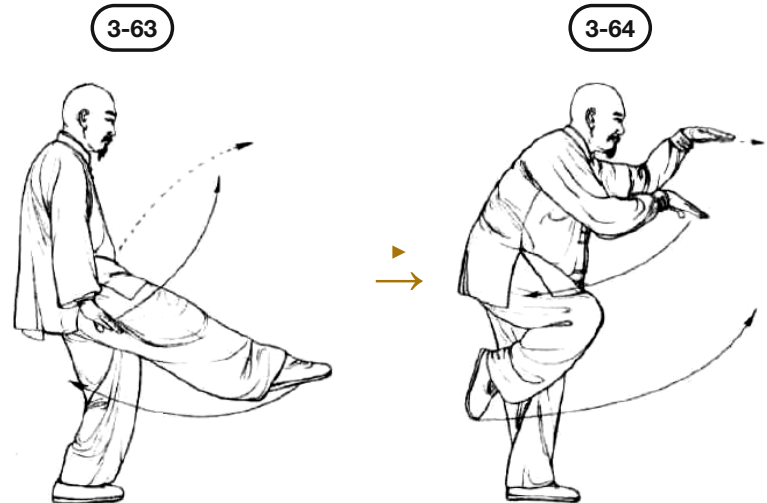

Press both palms down and back beside the hips while kicking the right leg forward to about left-knee height.

Fold and suspend

BREATHE NATURALLY

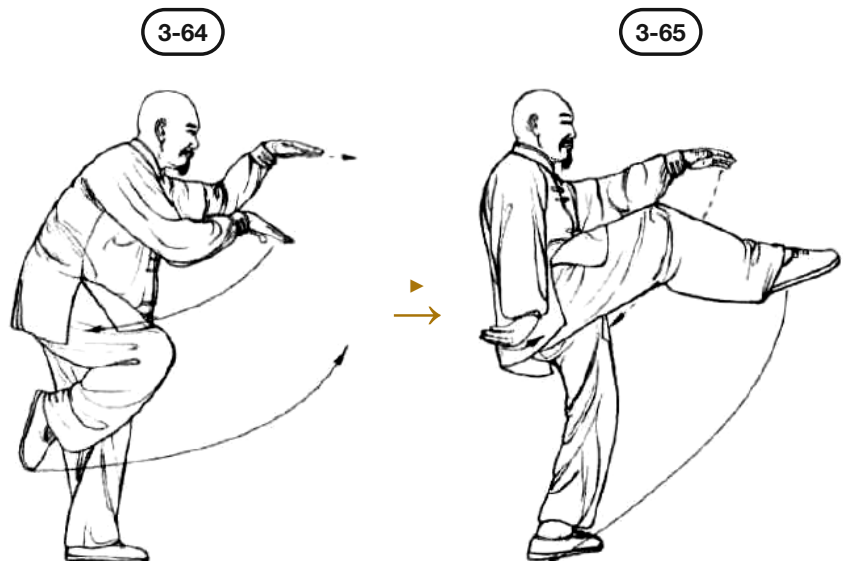

Incline forward and bend the right knee so the foot suspends beside the left calf. Lift both elbows in front, left over right, fingers forward.

Extend the kick

BREATHE NATURALLY

Kick the right leg forward toward waist height with a soft knee and level foot. Lower the right palm beside the hip, palm up, and press the left palm forward.

IMMORTAL CRANE PUSHES THE WAVES · 仙鹤推波

Gather

BREATHE NATURALLY

Place the right foot beside the left and half-squat. Hold both palms at the waist and look forward.

3-65

3-66

Lift the palms

BREATHE NATURALLY

Raise both palms forward to about mouth height, palms down and fingers forward.

3-66

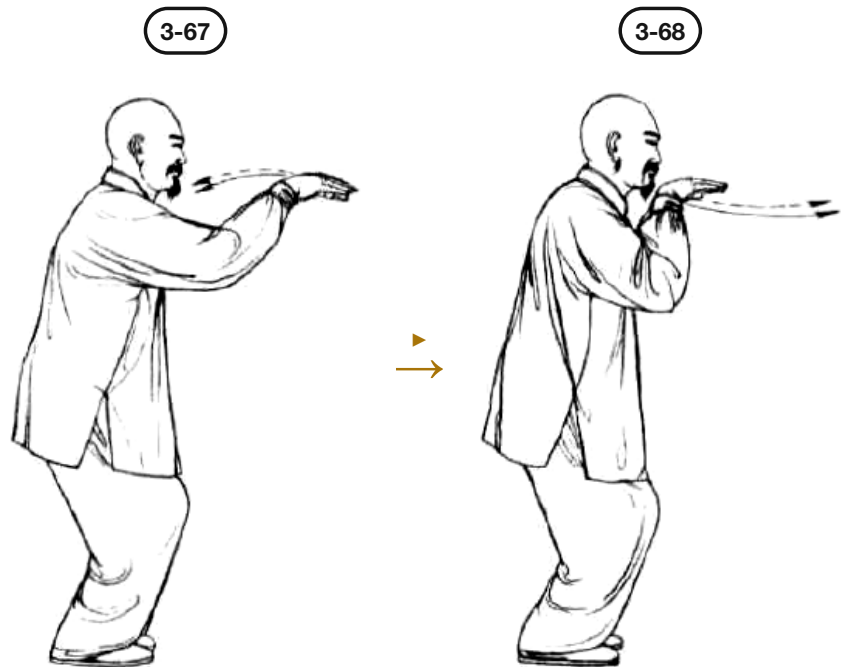

3-67

Draw inward

BREATHE NATURALLY

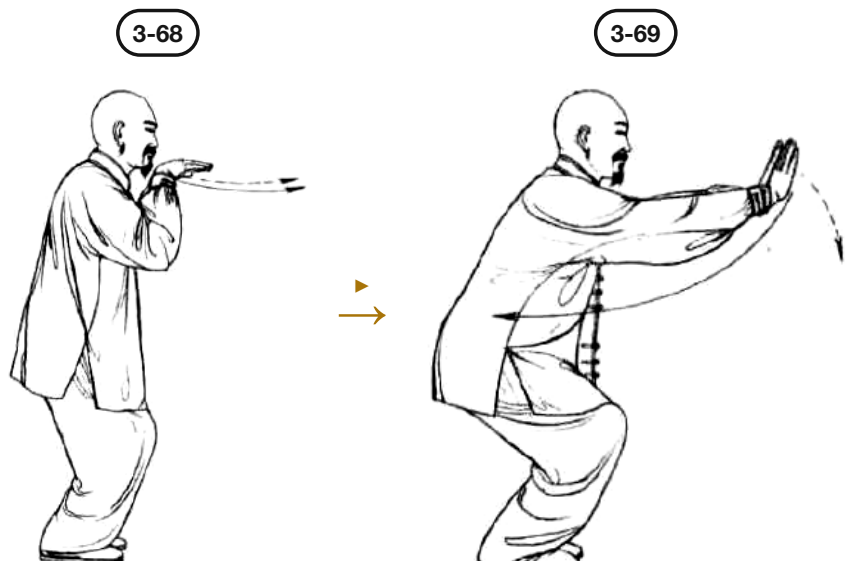

Bend the elbows and draw the palms inward toward the lower jaw.

Push the wave

BREATHE NATURALLY

Rub and push the palms forward until the arms extend at shoulder height, fingers up. Repeat the source movement several times without forcing the wrists.

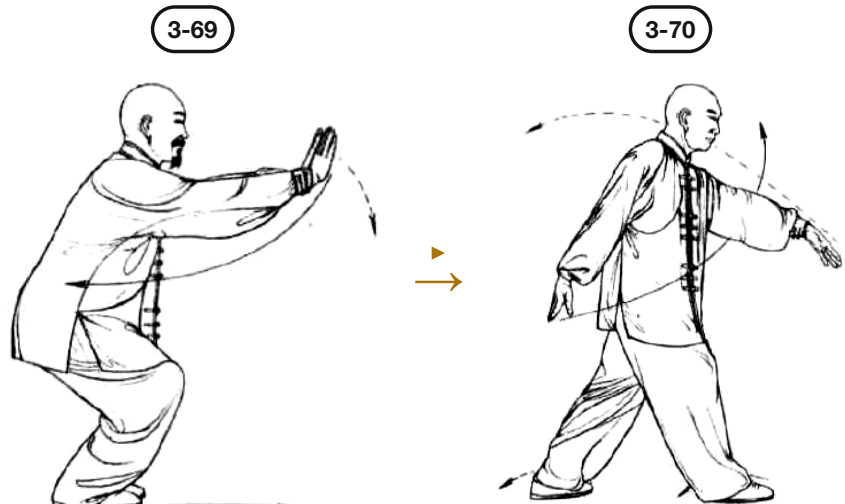

SPIRIT CRANE KICKS THE LANTERN · 灵鹤踢灯

Step and open

BREATHE NATURALLY

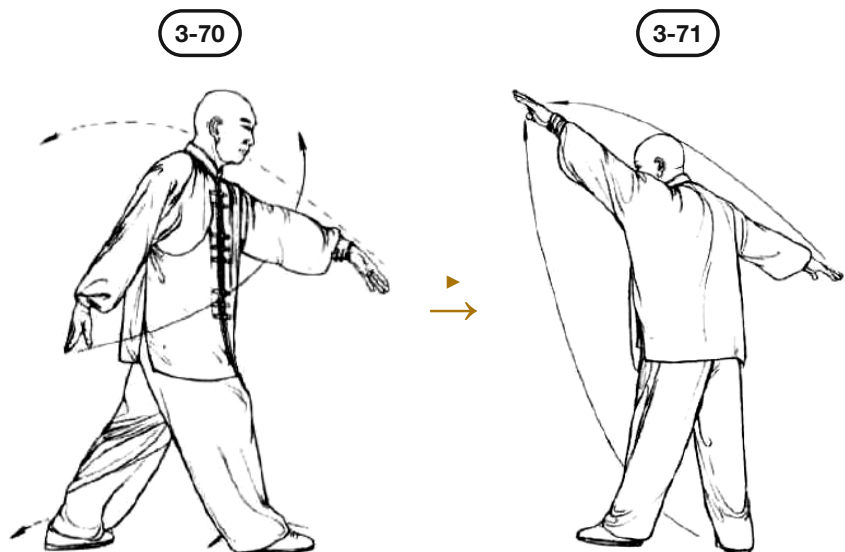

Step the right foot a half-step forward and shift weight ahead. Extend the right palm down behind the hip and the left palm forward near rib height.

Turn left

BREATHE NATURALLY

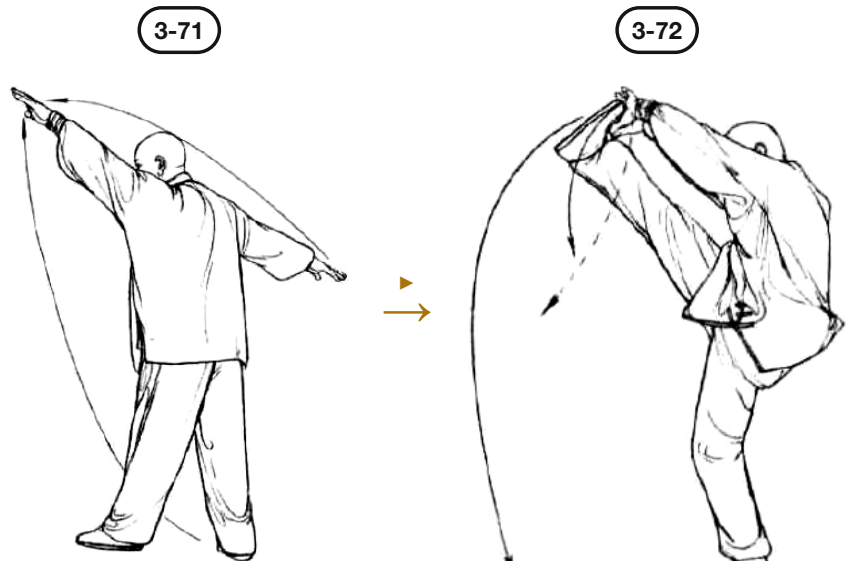

Turn left with both legs straight. Arc the left palm overhead, fingers up, while the right arm extends diagonally near right-rib height, fingers down.

Kick and meet

BREATHE NATURALLY

Kick the right foot forward and upward, meeting it with both palms at a comfortable height.

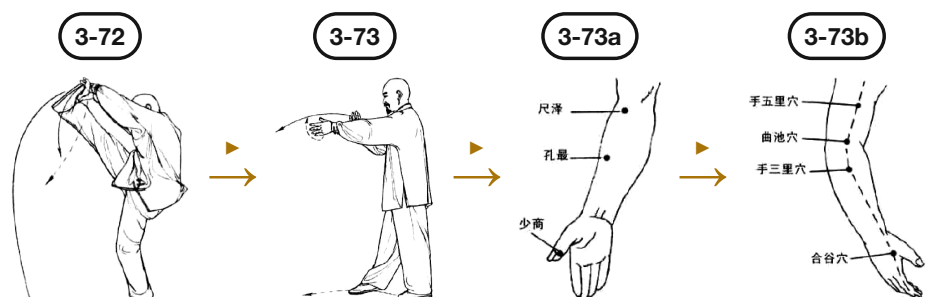

IMMORTAL CRANE BEATS ITS WINGS · 仙鹤拍翅

Strike left arm points

BREATHE NATURALLY

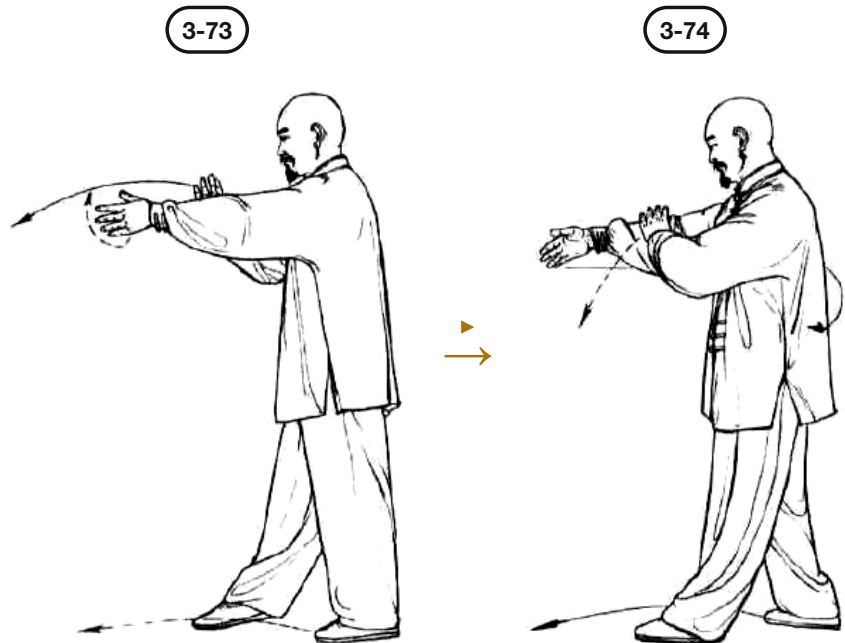

Land the right foot forward and extend the left arm at shoulder height, palm right. Use the right palm to pat the left Quchi and Chize areas; the insets locate the source points.

Strike right arm points

BREATHE NATURALLY

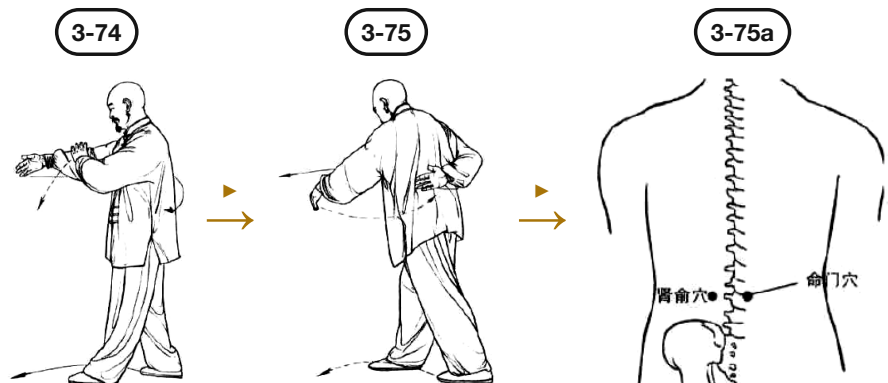

Step left, extend the right arm, and use the left palm to pat the matching Quchi and Chize areas on the right arm.

Pat left Shenshu

BREATHE NATURALLY

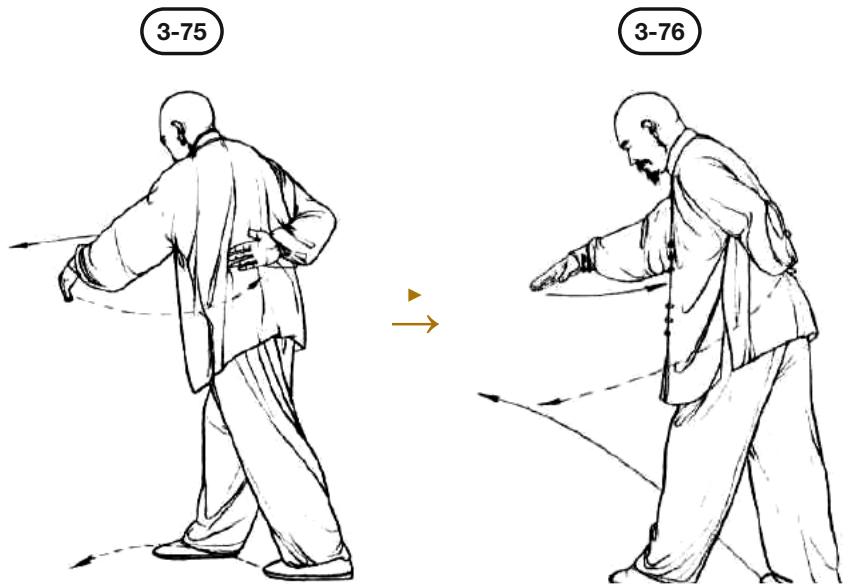

Step right and use the right palm to pat the left Shenshu area on the lower back. The inset preserves the source location diagram.

Pat right Shenshu

BREATHE NATURALLY

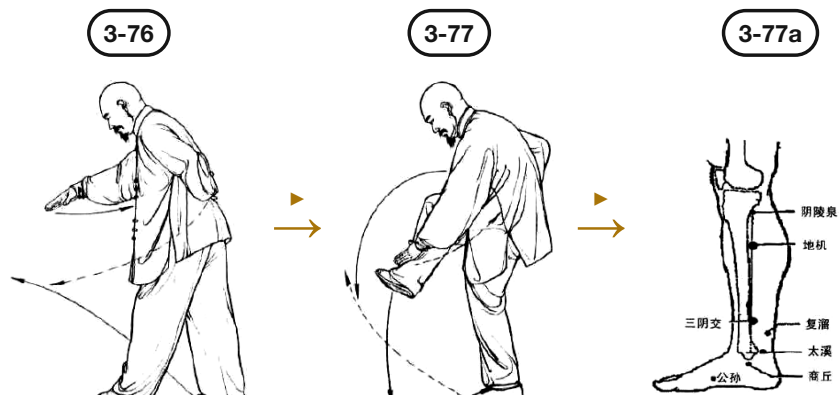

Step left and use the left palm to pat the right Shenshu area.

Pat right Sanyinjiao

BREATHE NATURALLY

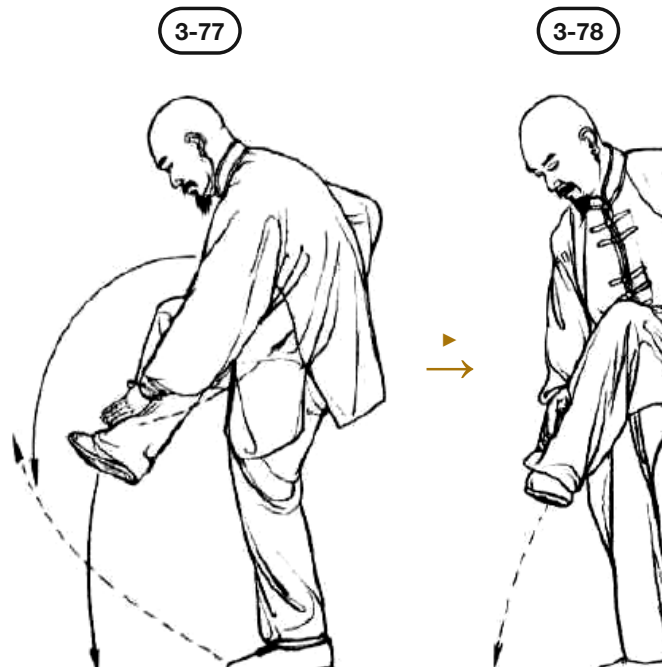

Lift the right leg and use the left palm to pat the inner right calf at the source's Sanyinjiao location.

Pat left Sanyinjiao

BREATHE NATURALLY

Set the right foot, lift the left leg, and use the right palm to pat the inner left calf at the matching location.

Pat left Zusanli

BREATHE NATURALLY

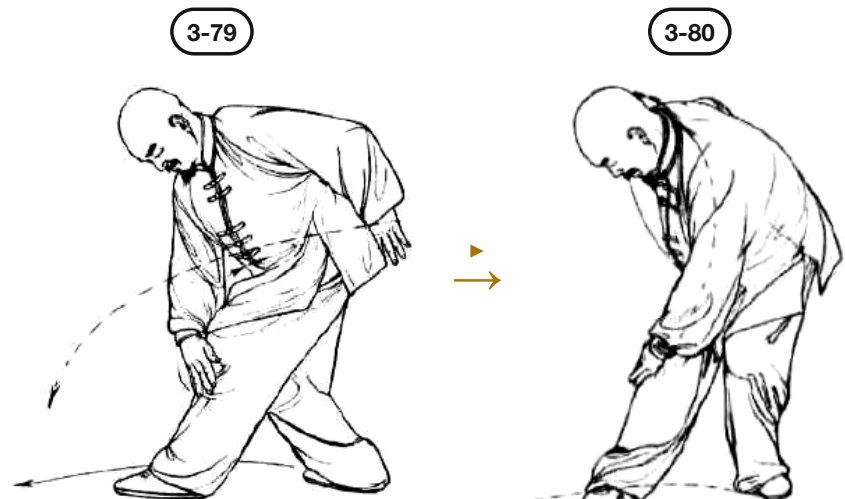

Set the left foot, bend, and use the right palm to pat the left leg at the source's Zusanli location.

Pat right Zusanli

BREATHE NATURALLY

Advance the right foot, bend, and use the left palm to pat the right leg at the matching location.

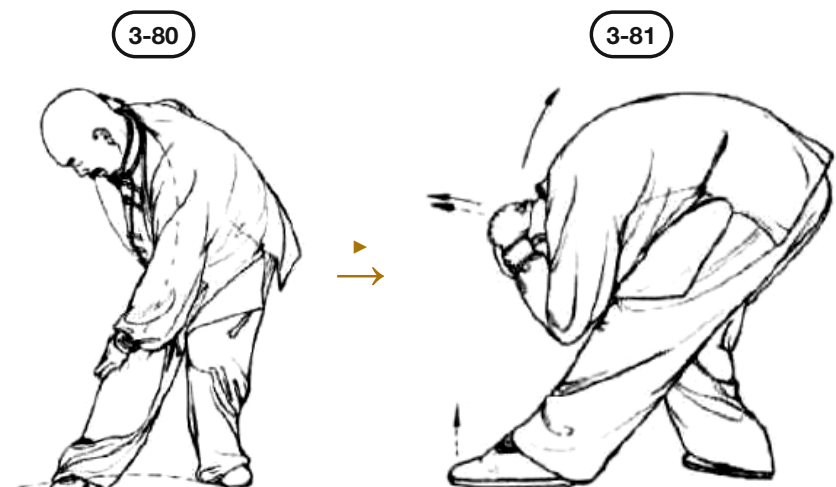

COLD CRANE STANDS BY THE RIVER · 寒鹤立江

Fold over the left leg

BREATHE NATURALLY

Extend the left leg forward while half-squatting on the right. Fold the head toward the left knee; protect the back of the head with both hands and press gently forward and down.

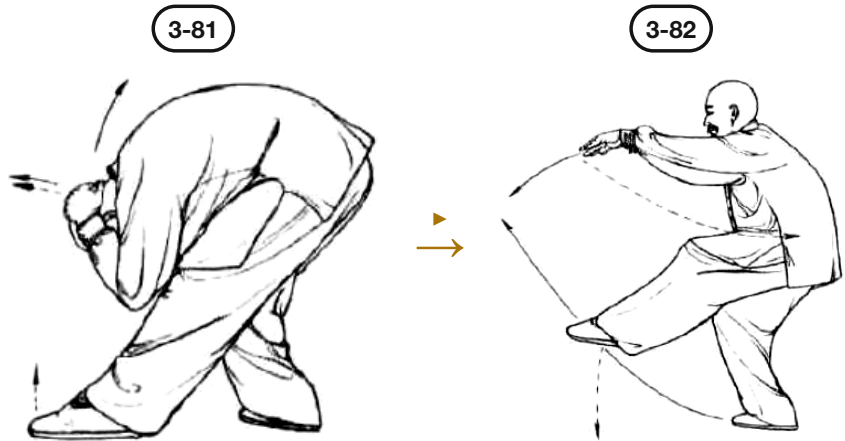

MALE CRANE PURSUES SPRING · 雄鹤追春

One-leg squat

BREATHE NATURALLY

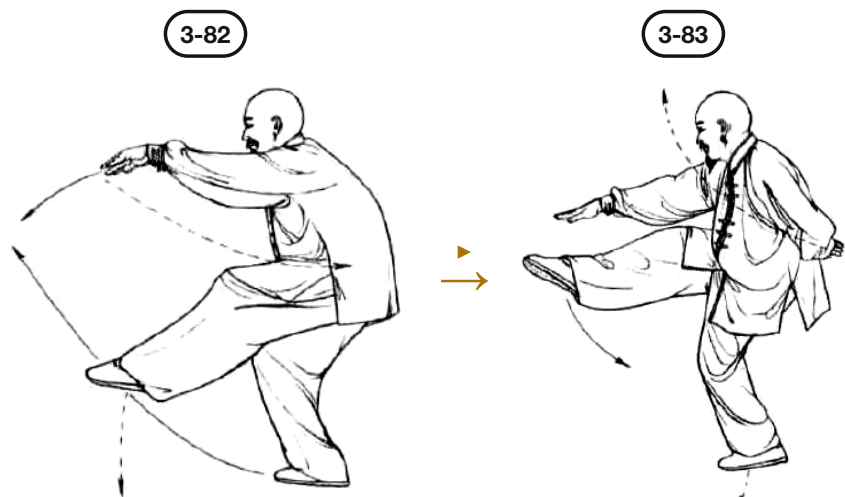

Lift the left foot and balance on the bent right leg. Extend both palms forward at shoulder height, palms down.

Right kick

BREATHE NATURALLY

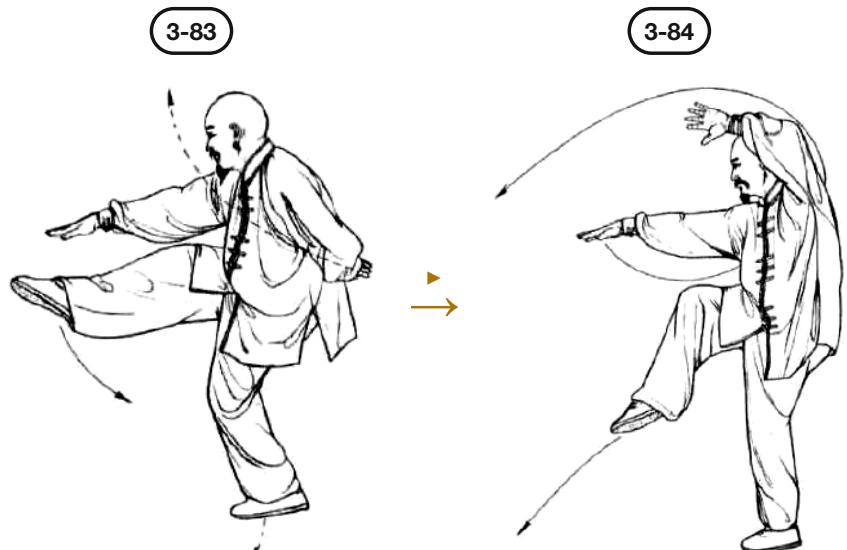

Step the left foot forward and kick the right foot ahead with the foot level. Strike the right foot with the right palm.

Retract and frame

BREATHE NATURALLY

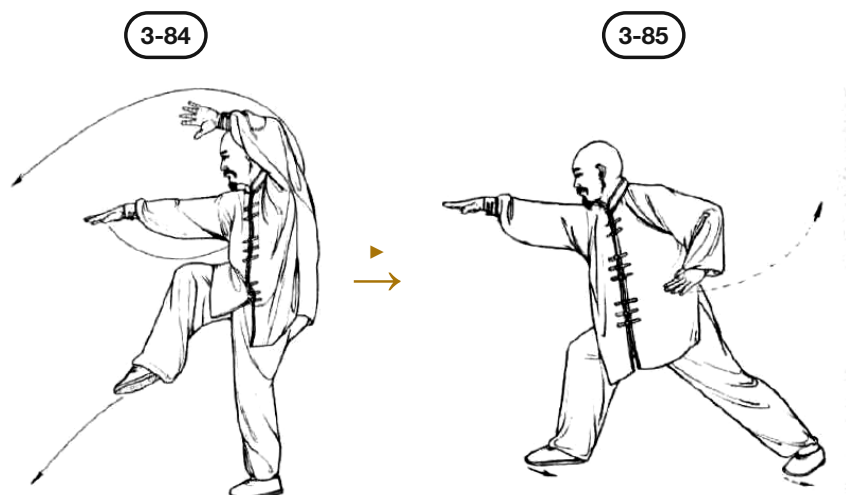

Straighten the left leg and retract the bent right knee. Press the right palm forward at shoulder height while the left forearm frames the forehead.

Land in right bow

BREATHE NATURALLY

Land the right foot forward and push through the left leg into a right bow stance. Circle the right palm down, back, and forward to shoulder height; hold the left hand at the waist.

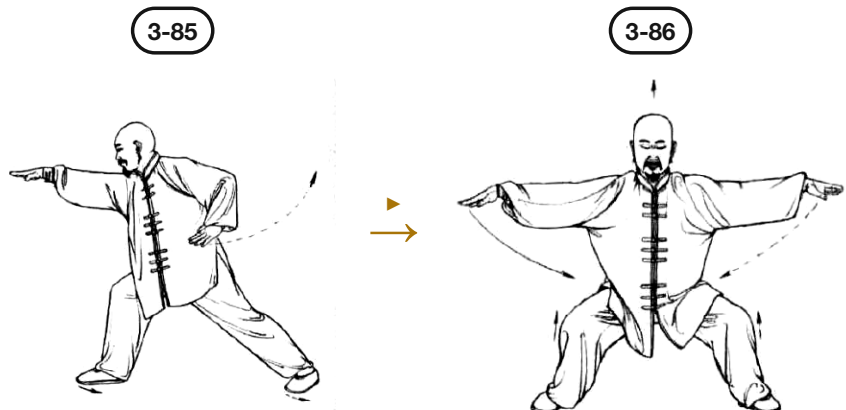

CLOSING · 收势

Turn and release

BREATHE NATURALLY

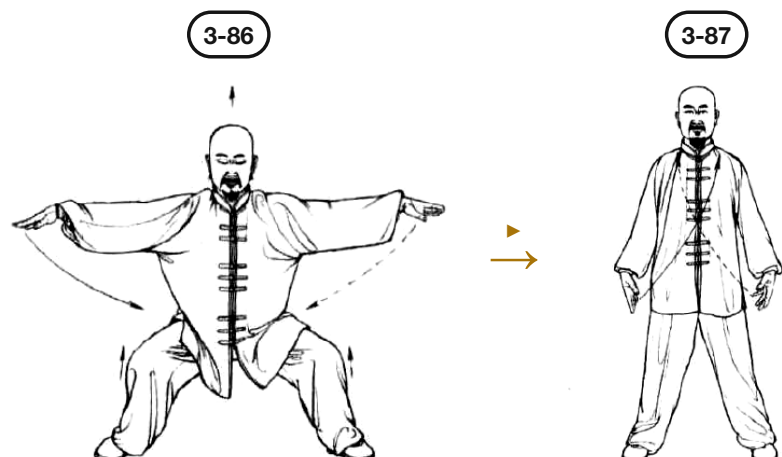

Turn left to face front and settle into a half-horse stance. Extend the palms sideways at shoulder height, palms down, and gently shake out tension.

Rise and regulate

BREATHE NATURALLY

Rise and lower the palms to the sides. Guard the lower dantian and let the breathing regulate for about one minute.

Cross hands

BREATHE NATURALLY

Cross the hands before the chest in a ten-shape, right hand outside and left hand inside.

3-87

3-88

3-88

3-89

Open elbows

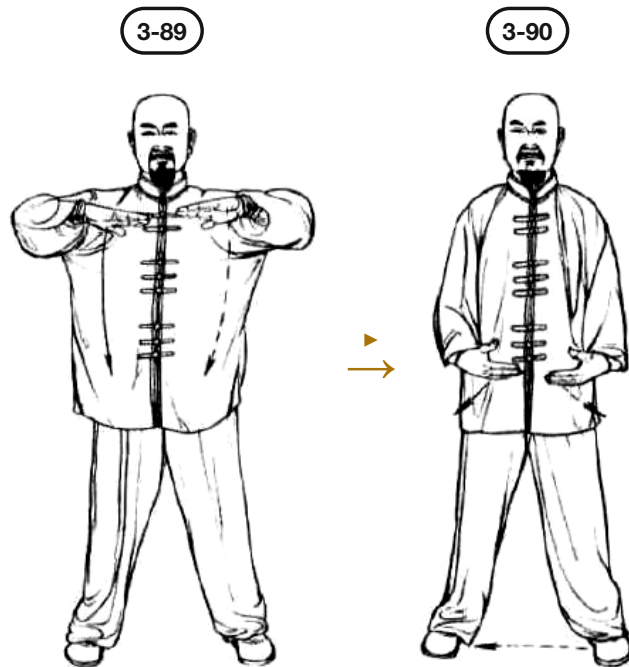

BREATHE NATURALLY

Open the elbows toward shoulder level. Face the fingertips toward each other and turn the palms down.

Lower to dantian

BREATHE NATURALLY

Lower the palms toward the dantian in a rounded holding shape, palms up.

Close the feet

BREATHE NATURALLY

Draw the left foot to the inside of the right and stand with the feet together. Lower the palms to the sides, regulate the breath, and finish.
